About us

Founded in **Turin** in **1975**, initially Consea was specialized in the automotive sector, afterwards it **expanded** in other fields mechanical and electromechanical industry, white goods, luxury and fashion industry, Fast Moving Consumer Goods.

Consea operates globally through its **9 offices** located in Asia (**China and Singapore**), NAFTA (**Usa, Mexico, Brazil**) and Europe (**Italy, Poland, Romania**) and thanks to our international recruiting team we are able to manage assignments in the following countries **France, The Netherlands, Germany, UK, North Africa and South East Asia.**

The company's modus operandi combines global expertise in various business fields with specific responsibilities in each country.

This allows Consea to gain the best value from knowledge and competence, following our *leitmotiv*

Think Globally Act Locally.

Our promise

A tailor made approach

Consea, in a close partnership with its clients, and sharing their business goals, identifies the best solutions, with the high level technical expertise and customers' system of values.

We believe in building a strong Business Partnership with both our clients and candidates across the world.
